Experience

- Fall 2017 – Present **Clinical Instructional Fellow**, *Harvard Law School Cyberlaw Clinic*, Cambridge, MA.
Supervises clinical students on client matters related to computer security, product counseling, and intellectual property law. Filed brief on behalf of two members of Congress in *ASTM v. Public.Resource.org*. Successfully petitioned Library of Congress on behalf of Software Preservation Network, gaining a broad exemption to DMCA §1201 for libraries, archives, and museums to preserve software. Worked with security researchers from DEF CON's Voting Village to publish voting machine vulnerability findings under threat of litigation.
- Fall 2016 – **Associate**, *Zeitgeist Law*, San Francisco, CA.
Fall 2017 Associate at boutique law firm specializing in technology issues. Counseled clients on matters including Computer Fraud and Abuse Act risk, EU-US data protection law, product development, and litigation. Co-wrote amicus brief on behalf of 5 members of Congress in case involving constitutionality of national security letter statute. Drafted open government requests and managed FOIA docket.
- Winter 2016 **Intern**, *Public Citizen*, Washington, D.C.
Worked with Paul Levy on online anonymity and First Amendment issues. Co-wrote attorneys' fees motion in *Louis Vuitton v. My Other Bag*.
- Fall 2015 – **Law Clerk**, *Zeitgeist Law/Law Offices of Marcia Hofmann*, San Francisco, CA.
Fall 2016 Prepared memos and consulted with clients on computer security, privacy, patent and diversity issues.
- Summer 2015 **Summer Associate**, *Cloudflare*, San Francisco, CA.
Reported directly to general counsel in a high-growth Silicon Valley company. Led in-house writing including motions, briefs, and declarations in *Arista Records v. Vita Tkach*. Created company-wide process guidance for ensuring open source license compliance. Drafted end user agreement for Cloudflare's registrar product.
- Summer 2014 **Legal Intern**, *Electronic Frontier Foundation*, San Francisco, CA.
Spearheaded successful petition urging the U.S. Copyright Office to modify existing law so that cultural institutions can now legally archive video games.
- 2012 – 2013 **Fellow/Head Teaching Fellow, CopyrightX**, *Berkman Center for Internet and Society*, Cambridge, MA.
Organized logistics, ran teaching fellow meetings, and helped staff manage Professor William Fisher's inaugural 500-person Introduction to Copyright online course. Taught copyright to HarvardX students.
- 2011 – 2013 **Research Associate/Assistant**, *Professor Jonathan Zittrain, Harvard Law School*, Cambridge, MA.
Managed Berkman Center and Harvard Law School Library projects including H2O, an online textbook development and distribution platform, and "Perma.cc," an online archiving system to prevent broken website links in journals and court opinions. Prepared briefing documents for the Federal Communication Commission's Open Internet Advisory Committee work on network neutrality.

Summer 2011 **Intern**, *Berkman Klein Center for Internet and Society*, Cambridge, MA.
Helped create Torts syllabus and casebook on H2O platform. Responsible for censorship research, legal reading and analysis, as well as running social media accounts.

Education

2013 – 2016 **J.D.**, *Harvard Law School*, Cambridge, MA, USA.
Graduated *cum laude*.

2007 – 2011 **B.H.A. in History and Lighting Design**, *Carnegie Mellon University*, Pittsburgh, PA, USA.
Advisor: Richard Scheines. Thesis: *"All Bets Were Off": Changes in Scientific Causation in Tort Law Through the Lens of Agent Orange*.
Graduated with College of Fine Arts Honors, University Honors, and Humanities & Social Sciences Honors.
